Will anyone take on Jake Semple?

Jake Semple is notorious. Rumor has it he burned down his old school and got kicked out of every school in his home state.

Only one place will take him now, and that's a home school run by the Applewhites, a chaotic and hilarious family of artists. The only one who doesn't fit the Applewhite mold is E.D.â€”a smart, sensible girl who immediately clashes with the unruly Jake.

Jake thinks surviving this one will be a breeze . . . but is he really as tough or as bad as he seems?
